A very beautiful and charming addition to any room of the home is this birdcage inspired lampshade from new cool children's furnishing and furniture store, bobokids. Each lampshade is individually made by hand and uses copper-wire for the cage and real feathers in vibrant and exciting colours for the birds. The very nature of these lampshades means that each one is unique and can be enjoyed by children and parents alike. Available in large and small sizes (large shown), it costs £435. Visit www.bobokids.co.uk to be inspired by more unique and designer homewares for children.

Cool cushions

These Scandinavian designed little cushions are cheeky, cute, innocent and adorable - just like your little ones! They will add instant impact and comfort to your children's bedrooms or play areas. Choose from Posey Panda, Elle Elephant, Mr Frank Fox and Aristo Katt; with cool names too, who could refuse their charm! Made from 100% organic cotton with extra soft down filling, they measure 30cm square and can be purchased through online store www.littlebabycompany.co.uk for £29.95 each.

Tidy trolley

Encourage your children to be tidy with this neat push storage box decorated with fun jungle sketches and colourful stripes. It's just the right height for your toddler to balance against and has enough space for all his little toys and teddy friends too! It's made from painted wood and costs £39 from www.vertbaudet.co.uk.

Whale of a time!

This retro inspired wall clock offers a playful yet practical approach to telling the time. It is ideal for children's rooms too as it is fitted with a quiet, battery operated movement to reduce the 'tick-tock' sound. Designed, printed and hand finished in the UK, this little birch clock with easy to read numbers will add fun to the walls of your nursery. It is made from high quality birch plywood sourced from sustainable forests, measures 23cm square and costs £30 through www.hunkydoryhome.co.uk.
